Airport Scenario Planning Public Meeting

GLENWOOD SPRINGS, CO – The City of Glenwood Springs invites community members to an information and data gathering session regarding the Airport Property Scenario Planning Project on Wednesday, March 6 at 6 p.m. at Sopris Elementary School.

This information session will include a presentation of the consultant’s findings concerning physical conditions influencing potential uses of the Airport property; an evaluation of potential aviation, civic, residential, and nonresidential uses considered for the Airport property; and an initial, preliminary identification of land use planning scenarios for the Airport property warranting further study. Meeting attendees are encouraged to ask questions and provide feedback to the consulting team.

The City of Glenwood Springs has retained a research-based consulting team that includes Gruen Gruen + Associates, SGM Engineering, and The Land Studio to study potential future uses of the Glenwood Springs Municipal Airport property.
