

RESOLUTION 2013-31

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GLENWOOD SPRINGS, COLORADO, SUPPORTING THE COLORADO DEPARTMENT OF TRANSPORTATION AERONAUTICS DIVISION GRANT APPLICATION.

WHEREAS, the General Assembly of the State of Colorado declared in Title 43 of the Colorado Revised Statutes, Article 10, 1991 (“the Act”) in C.R.S. 43-10-101 “...that there exists a need to promote the safe operations and accessibility of general aviation in this state; that improvements to general aviation transportation facilities will promote diversified economic development across the state; and that accessibility to airport facilities for residents of this state is crucial in the event of a medical or other type of emergency...”

WHEREAS, the Act created the Colorado Aeronautical Board (“the Board”) to establish policy and procedures for distribution of monies in the Aviation Fund and created the Division of Aeronautics (“the Division”) to carry out the directives of the Board, including technical and planning assistance to airports and the administration of the state aviation system grant program. See C.R.S. §§ 43-10-103, 43-10-105 and 43-10-108.5 of the Act.

WHEREAS, any entity operating a public-accessible airport in the state may file an application for and be recipient of a grant to be used solely for aviation purposes. The Division is authorized to assist such airports that request assistance by means of a Resolution passed by the applicant’s duly-authorized governing body, which understands that all funds shall be used exclusively for aviation purposes and that it will comply with all grant procedures and requirements as defined in the Division’s Aviation Grant Management Manual, revised 2009 (“the Manual”).

NOW, THEREFORE, IT IS RESOLVED THAT:

The City Council of the City of Glenwood Springs, Colorado, as the duly authorized governing body of the grant applicant, hereby formally requests assistance from the Colorado Aeronautical Board and the Division of Aeronautics in the form of a state aviation system grant. The City of Glenwood Springs states that such grant shall be used solely for aviation purposes, as determined by the State, and as generally described in the Application.

Each airport-operating entity that applies for and accepts a grant thereby makes a commitment:

- a) to keep the airport facility accessible to, and open to, the public during the entire useful life of the grant funded improvements/equipment; or
- b) to reimburse the Division for any unexpired useful life of the improvements/equipment, on a pro-rata basis.

BE IT FURTHER RESOLVED THAT:

The City of Glenwood Springs hereby designates Geoff Guthrie as the Project Director, as described in the Manual, and authorizes the Project Director to act in all matters relating to the work project proposed in the Application in its behalf, including execution of the grant contract.

BE IT FURTHER RESOLVED THAT:

The City of Glenwood Springs has appropriated or will appropriate or otherwise make available, in a timely manner, all funds, if any, that are required to be provided by the City under the terms and conditions of the grant contract.

BE IT FURTHER RESOLVED THAT:

The City of Glenwood Springs hereby accepts all guidelines, procedures, standards, and requirements described in the Manual as applicable to the performance of the grant work and hereby approves the grant contract submitted by the State, including all terms and conditions contained therein.
