New Stop Sign Locations on Pitkin Ave and 8th Street, Pitkin and 11th

GLENWOOD SPRINGS, CO – This week, the City of Glenwood Springs is creating a new three-way stop at the intersection of Pitkin Avenue and 8th Street, across from City Hall and Garfield County Administration. The addition of stop signs on 8th Street will make it easier for pedestrians to cross, currently a challenge due to the electrical transformer box and parked cars on the southwest side of the intersection.

The City has also installed a new set of stop signs on Pitkin Avenue at 11th Street. The new four-way stop will allow for smoother traffic flow and avoid traffic backing up into Glenwood Springs Elementary.
