Public Invited to Attend Community Meeting to Gather Public Input on Vacation Rentals

GLENWOOD SPRINGS, CO – The City of Glenwood Springs Community Development Department is seeking public input regarding vacation rentals. City Council in October enacted a moratorium on new vacation rental permits within the city to allow time for public input on the topic.

City staff will be presenting survey results and community feedback on the issue and hosting a facilitated public discussion on the topic. Survey results will be presented from 6-6:30 p.m. Meeting participants will have an opportunity to provide input regarding vacation rental requirements from 6:30-8 p.m.
